DECISION ON ATTORNEY'S FEES AND COSTS¹

On March 14, 2022, William C. Bodie filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*² (the "Vaccine Act"). Petitioner alleges that he suffered from Guillain-Barré syndrome ("GBS") as a result of an influenza ("flu") vaccination administered to him on September 10, 2020. Pet., ECF No. 1. On April 12, 2024, I issued a decision awarding compensation to Petitioner based on the Respondent's proffer. ECF No. 42.

Petitioner has now filed a motion for attorney's fees and costs, requesting an award of \$34,118.44 (representing \$32,687.50 in fees plus \$1,430.94 in costs). Application for

Attorneys' Fees and Costs ("Motion") filed August 27, 2024, ECF No. 48. Furthermore, counsel for Petitioner filed a signed statement that Petitioner incurred no personal out-of-pocket expenses. ECF No. 47.

Respondent reacted to the motion on August 27, 2024, indicating that he is satisfied the statutory requirements for an award of attorneys' fees and costs are met in this case but deferring resolution of the amount to be awarded to my discretion. Motion at 2-3, ECF No. 49. Petitioner did not file a reply thereafter.

I have reviewed the billing records submitted with Petitioner's request. In my experience, the request appears reasonable, and I find no cause to reduce the requested hours or rates. Furthermore, Petitioner has provided supporting documentation for all claimed costs. ECF No. 48-8. Respondent offered no specific objection to the rates or amounts sought. I find the requested costs reasonable and hereby award them in full.

The Vaccine Act permits an award of reasonable attorney's fees and costs for successful claimants. Section 15(e). Accordingly, I hereby GRANT in part, Petitioner's Motion for attorney's fees and costs. **Petitioner is awarded attorneys' fees and costs in the total amount of \$34,118.44 (representing \$32,687.50 in fees plus \$1,430.94 in attorney's costs) to be paid through an ACH deposit to Petitioner's counsel's IOLTA account for prompt disbursement.** In the absence of a timely-filed motion for review (see Appendix B to the Rules of the Court), the Clerk of Court shall enter judgment in accordance with this decision.³

IT IS SO ORDERED.
